## ZING AND ZANG TRUCK

Thank you for downloading this resource!

### PAPER CHOICE AND RESOURCES

Although this resource may print on any type of paper thickness I would recommend a heavyweight white matte photo paper or cardstock. The resource is formatted to papersize A4 (21.0 x 29.7cm or 8.27 x 11.69) but can also print perfectly on U.S. Letter (8.5 x 11 inches). Apart from the paper you'll also need 4 fasteners for each puppet and some string (optional).

### INSTRUCTIONS

**1.** Print the resource. Use the free software Adobe Reader. Download (or update your earlier version) for FREE quickly and easily here: <http://adobe.com/go/reader>.

**2.** Cut out the individual parts of each puppet. Make sure to cut out the wheels of the base as shown in red in image on top right. Make a mountain fold along the dashed lines.

Mountain fold

**3.** Put glue on the tabs marked with a 🔥. Glue parts 2 and 3 to it's corresponding tabs (marked with numbers 2 and 3. Next glue all other tabs with it's corresponding parts as shown in image on the right.
