Assembly Instructions

1. Print out your Polaroid Camera Card on a thicker paper or cardstock.
2. Cut out card, camera and the polaroids.
3. Make a cut on the lower part of the camera, marked with a white line.
4. Put one of the polaroids inside the camera. If you want to write a personal message use polaroid nr 3.
5. Fold the dashed lines inwards on the camera. Put glue on tabs where it is stated.
6. Glue the camera to the card. Place it on the darken area.
