SUPERHERO FAVOR BOXES

Thank you for downloading this resource!

PAPER CHOICE

Although this resource may print on any type of paper thickness I would recommend a heavyweight white matte photo paper or cardstock. The resource is formatted to papersize U.S. Letter (8.5 x 11 inches) but can also print perfectly on A4 (21.0 x 29.7cm or 8.27 x 11.69 in).

INSTRUCTIONS

1. PRINT AND CUT OUT THE INDIVIDUAL BOXES

Print out as many copies of each template as you need and cut them out. Don't forget to cut out the holes in which you secure the lids of the favor box, This is best done with a paper knife or something similar.

2. FOLD AND GLUE BOX

Start by foldning each tab inwards along the dashed lines. When every tab is folded it's time to start assembling the box. Put glue on each of the tabs marked with a G. Glue the bottom tabs in the order they are marked i.e. 1-3. From the inside of the box the bottom tab marked with 1 should be on top then the two tabs marked with 2 and lastly the tab marked with 3.

That's it now you have tourself an awesome favor box!
